TO WHOM IT MAY CONCERN:

As a licensed attorney in private practice for thirty years, I have had many opportunities to interact with real estate and business brokers. Included in my experiences have been engagements with Alan S. Apt, whereby we represented mutual clients. I have found Alan's energy, advocacy and competency, second to none. His efforts have been proven efficient and effective for our shared clients. Without hesitation, I recommend his professional services. Please feel free to contact me in person to further substantiate and corroborate this testimonial.
